FILE NO. _____

SHORT TERM WATER USE REPORT

This form, is to be used to report the diversion of 100,000 gallons of water per day or more for periods of less than 31 days annually. This form must be submitted within one month of the conclusion of the diversion activity. Thirty (30) days prior to the start of the diversion activity, a Short Term Water Use Permit-by-Rule Form (BWA-003) must be filed with the Bureau of Water Allocation. For diversions which will last 31 days or more, a Water Allocation Permit is required and the owner of the project should contact this office to obtain the appropriate application forms.

In accordance with N.J.A.C. 7:19-2.17(a)2, any well or surface water supply system which becomes damaged, dry, has reduced capacity, reduced water quality or is otherwise rendered unusable as a result of this diversion shall be repaired or replaced at the expense of the owner of the project.
